

Calling all Educators & Employers

WESTCHESTER~PUTNAM

Pathways Pledge

A year-long campaign to build more equitable workplaces with enhanced opportunities for all county residents.

pledge

Make a Pathways Pledge!

We invite all employers and educators to help build better hiring practices and more equitable workplaces to make a **Pathways Pledge**. Go to our link or simply scan the QR code to choose an action item. No action is too small to advance the goal of increasing “career pathways” for residents of every background, skill, profession, and income level. Together we can make a difference!
