The Westchester-Putnam Workforce Development Board is looking for people of all professional backgrounds and experience levels to help administer its popular Volunteer Income Tax Assistance (VITA) Program.

The program which runs from Feb. 1, 2020 through April 15, 2020, helps low- and moderate-income individuals and families eligible for the federal Earned Income Tax Credit (EITC) file their taxes and maximize their returns at no cost to the individual.

VITA relies on dedicated volunteers to assist with various tasks, including tax preparation, translation, call-center operations, and acting as greeters. Sites include Dobbs Ferry, Mount Vernon, Valhalla, White Plains, Ossining, and Yonkers. No previous experience is required and hours are flexible.

Training and certification for volunteer tax preparers are offered free and are sponsored by the Internal Revenue Service. Individuals who complete the tax prep training and pass the tax prep test will be certified volunteer tax preparers.

For more information about the process for becoming a VITA volunteer, contact Victor Avendano at (914) 995-3924 or email vaa3@westchestergov.com.
